

JOIN OUR ANNUAL COMMUNITY PROGRAMS

The Children's Study Home is a 154 year old non-profit organization supporting children and families throughout the Pioneer Valley, Berkshires and Cape Cod regions with educational, residential and family services.

CAMP CASA PROGRAM

Camp CASA is an educational and affordable summer camp that supports the children of Springfield. In 2018, Camp CASA was very successful with 40 campers enrolled, with a waiting list of over 20 campers. The 2019 summer program will be held for six weeks from July 8th - August 16th on Sherman Street. For more information, contact Rick Tremblay at rtremblay@studyhome.org.

SECRET SANTA PROGRAM

Secret Santa is our most robust volunteer effort at The Children's Study Home. With the community's help, we have been able to put smiles on children's faces and help families feel the joy of the winter gift giving during the holidays. 2018 being the 153rd year, we granted over 400 children their wishes! Thank you to over 130 sponsors that helped bring many smiles to our community children during the holidays! For more information on becoming a sponsor, contact our Head Elf Scott at secretsanta@studyhome.org.

ANNUAL EXCEL GOLF TOURNAMENT

2018 was a year in which we saw many new and exciting changes within The Children's Study Home. It was also a year of milestones, one of which being the 30th anniversary of the Excel Open Golf Tournament! That's 30 years of community members, local businesses, board members, employees, and parents all coming together to help raise money and support the children and families we serve. The tournament was held at Crestview Country Club in Agawam, MA, with over 90 golfers participating and raising over \$25,000. The proceeds were donated to the Mill Pond School's Springfield and Berkshire campuses. Please consider joining us this year at the 31st Annual Excel Open Golf Tournament on May 2nd at Crestview Country Club! For more information, contact Chad Astore at castore@studyhome.org.

ANNUAL APPEAL

The Children's Study Home does all we can to support and strengthen children and families in our community through foster care to camp programs, from primary education to parent education and the list goes on. In order to continue to do this, we ask for your help. To donate, visit our website studyhome.org and click on Donate.
