

## **AUGUST 2019 YTD FINANCIAL STATEMENT NARRATIVE**

The YTD net surplus/ (deficit) from operations, through August 31, 2019 is (\$110,190). The YTD net operating income (deficit) at this time last year was (\$30,552). The most notable programmatic variances from FY 2018 to FY 2019: W Mass Family Support Programs (up \$10,081); Cottage (down \$64,941); Cape Programs (up \$8,903); Mill Pond Schools (down \$63,475).

### **Income Statement Summary Report**

#### **Administration**

Through the first two months of the fiscal year, ending August 31, 2019, Administration is showing a deficit of (\$47,504) which includes a year to date deficit of (\$9,869) in Community Relations. The combined surplus/ (deficit) for the same period last year was (\$66,900)

#### **Cottage**

The Cottage had a deficit through August 31, 2019, of (\$13,619). The program ended the month with a census of 11 residents, the budgeted census for FY 2020 is 13. This program had a surplus of \$51,322 the same period last year.

#### **SHARP I**

SHARP has a year to date deficit of (\$20,957) at the end of August. The program is budgeted for 12 residents and at month's end we were at 9. For the same time period last year, the program had a surplus of \$31,360. This program has run under budgeted enrollment for several months, due to no available referrals. Following a discussion with outside stakeholders, it was determined this program functions better with fewer residents and has been reduced from a 15 bed program to a 12 bed program.

#### **START**

START was fully licensed on October 3, 2017; and with a declining referral pool for girls requiring the 1:4 model, this program transitioned to a 1:3 model in September 2018. As a result of conversations with DCF and EEC, the license was changed and we began accepting new clients. At the end of August, we are serving 6 girls, we can serve up to 8 if referrals warrant the beds. Through the month of August 2019, the program had a deficit of (\$23,020).

### **Cape FSP and Cape FAMS**

The Cape Family Support Programs generated a \$41,166 surplus through August. The Cape FSP program currently services 12 youth, generating a total of 364 units for the month; Cape FAMS has 8 youth enrolled at the end of August, generating 291 units for the month. The budgeted number projected for FY2020 is 11 youth for the Cape FSP program and 9 for the Cape FAMS program. As of August 31, 688 units have been billed, over 17% of the total amount of 3,960, budgeted for the year for Cape FSP; 571 total units have been billed for Cape FAMS, over 15% of the 3,600 units budgeted.

### **Schools**

For the month of August, the school programs, MPS, along with the Curtis Blake Day School, combined, generated a deficit of (\$94,319). At this same time last year, the combined deficit was (\$67,742). For through the last month of the summer programs, there were 30 students enrolled at the Mill Pond School-Springfield Campus, 21 students enrolled at the Mill Pond School-Berkshire Campus and 27 students enrolled in the Curtis Blake Day School.

The billable school days for the 2019 - 2020 school-year are as follows:

July	Aug	Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	June
21	15	20	22	18	15	21	15	21	17	20	11

### **FAST and FRSP**

FAST and supervised visits billed 997 units; additionally, for the month of August , FRSP billed 795 units. Through August 31, the two programs resulted in a surplus of \$29,788. These are related programs that share staff and assign them as needed depending on the number of clients in each program during any given month. At August 31, we have 63 families enrolled in either our parent education program or supervised visits; we had budgeted for a combination of 72 per month. We have 25 families engaged with our reunification program; 30 are budgeted per month.

### **Intensive Foster Care**

Foster Care operations resulted in a surplus of \$34,587 through the end of August 2019. We are currently serving 26 youth; the budgeted number for FY2020 is 26. We remain dedicated to building the program and continue to pursue potential, successful foster homes.

### **Community Programs**

At the end of August 2019, the program resulted in a deficit of (\$6,593); as compared to a deficit of (\$16,925) for the same time last year.

## Balance Sheet

Total cash increased \$150,100 from June 30, 2019, bringing the operating cash balance at the end of August, 2019, to \$516,203. Accounts Receivable decreased by (\$144,647) from June 30, 2019 to August 31, 2019; over 96% of the accounts receivable is less than 60 days old. The top receivables on August 31 are: DCF for the Cottage, \$114,069; DCF for SHARP, \$96,776; and DCF for Foster Care programs, \$118,951; additionally, at the end of August, we are due over \$116,015 from the City of Pittsfield and \$116,049 from the City of Springfield.

From June 30, 2019, Endowment Investments increased \$12,066 through August 31, 2019, due to net realized gains, dividends, interest and bank fees; the allowance for the change in market value decreased by (\$39,661).

Net property, plant, and equipment increased by \$15,966 as a result of assets purchased, less the amount of the monthly depreciation.

Since June 30, 2019, the accounts payable increased \$73,297, through the month ending August 31, 2019. The top payables on August 31 are: HNE, \$67,149; MP Group, \$18,000; and Royal PC, \$8,435.

Accrued payroll and fringe reflect the accrual of 14 days this month, as compared to 8 days in June of 2019.

The accrued vacations account has been adjusted to reflect all paid time off earned and used through August 31, 2019 and net of any accruals paid to individuals upon separation.

The Unemployment Self-Insurance account was adjusted to a projected liability for FY2020. As no large increases/decreases are projected, this amount was left the same as the previous year. This account will be reviewed monthly and will be adjusted accordingly to avoid such a large adjustment at year end. This account has been adjusted to reflect payments made through August 31, 2019.
